

**DIAMONDS ON THE SOLES
OF HER SHOES SERIES**

THE GREAT SERIES
Volume I
Diamonds on the Soles of Her Shoes

Theoretically, every clue we need to take us from Revelation to Resurrection is accessible to us. Knowing more about the Israelites, the lost ones, and what God is doing amongst them is an important part of this. *Diamonds on the Soles of Her Shoes* examines important considerations that may bring us some of the best clues. It takes a serious look at the theories that the Bible is true, that those identified as Israelites in the Bible were a Black people, and that understanding the latter helps establish the former. The book studies the Bible a little deeper than usual in this context. The books are written as a play between the voice of logic and the voice of intuition. The voice of logic never insists but explores its points intelligently. The voice of intuition is sure in its stance but has its backing in the Bible. It's a new take on the subject because it is not the likely groups exploring the idea, but now also mainstream Christians exploring this subject of Blacks in the Bible.

Diamonds on the Soles of Her Shoes

Africa's People, Africa's Plight, Africa's Future

Concepts By WTL International

Written By WTL International

Title: *Diamonds on the Soles of Her Shoes*

Subtitle: *Africa's People, Africa's Plight, Africa's Future*

Author: WTL International / Aisha Hammah

Description: Theoretically, every clue we need to take us from Revelation to Resurrection is accessible to us. *Diamonds on the Soles of Her Shoes* examines an important consideration that may bring us some of the best clues. It takes a serious look at the theory that those identified as Israelites in the Bible were Black people. Insightful and well-meaning, this series teaches that there could be a lot more to this theory which society's biases and complexes have compelled us not to take seriously. Book 1 introduces the series, then broaches the first arguments.

Title: *Diamonds on the Soles of Her Shoes 2*

Subtitle: *Africa's People, Africa's Plight, Africa's Future*

Author: WTL International / Aisha Hammah

Description: Theoretically, every clue we need to take us from Revelation to Resurrection is accessible to us. *Diamonds on the Soles of Her Shoes* examines an important consideration that may bring us some of the best clues. It takes a serious look at the theory that those identified as Israelites in the Bible were Black people. Insightful and well-meaning, this series teaches that there could be a lot more to this theory which society's biases and complexes have compelled us not to take seriously. Book 2 talks about some of the more personal, family-oriented, and intimate evidence.

THE GREAT SERIES

Title: *Diamonds on the Soles of Her Shoes 3*

Subtitle: *Africa's People, Africa's Plight, Africa's Future*

Author: WTL International / Aisha Hammah

Description: Theoretically, every clue we need to take us from Revelation to Resurrection is accessible to us. *Diamonds on the Soles of Her Shoes* examines an important consideration that may bring us some of the best clues. It takes a serious look at the theory that those identified as Israelites in the Bible were Black people. Insightful and well-meaning, this series teaches that there could be a lot more to this theory which society's biases and complexes have compelled us not to take seriously. Book 3 looks at more evidence, and, particularly, how slight details seem to add big meaning.
